Approved Person's certification

I certify that this modification(s) complies with the Approved Code of Practice for Modifications under the *Transport Operations (Road Use Management - Vehicle Standards and Safety) Regulation 2010* or *Heavy Vehicle National Law Act (Queensland)* including its associated conditions for that class of vehicle.

I certify that I have inspected the above-mentioned vehicle and that the modification(s) has not adversely affected the vehicle's compliance with the applicable ADRs. I also confirm that the modification(s) has been carried out according to good engineering practice, and has not reduced the safety of the original vehicle. I hold the required supporting documentation and evidence for this certification, including any applicable drawings, specifications, analysis reports, calculations, test data or photographs.

I certify that, where the certification of the modification requires it, I have attached a modification plate to the vehicle in accordance with, for light vehicles, the *Transport Operations (Road Use Management - Vehicle Standards and Safety) Regulation* and for heavy vehicles, the *Heavy Vehicle National Law Act (Queensland)*.

I certify the information and statements in this certificate are true and correct.
